Hosting Guidelines:

Host schools will be required to provide the following personnel:

- 1 Site Director
- Athletic Trainer for game coverage for both F/S and Varsity Jamborees (not to exceed \$200 per site)
- 1-2 ADULT ticket sellers (2-4 volunteers needed for up to 6 hours)
- 1-2 ADULT ticket takers (2-4 volunteers needed for up to 6 hours)
- Police coverage if deemed necessary by site (no more than two (2) per site)
- Custodial Coverage – The host school will absorb this cost unless they are the Saturday host with freshman, F/S and varsity games (rate to be determined and invoiced by their specific school district)
- Volunteers for 2 Chain Crews for all Jamborees

The BVAL will provide invoices for the site director, athletic trainer, and the police and will send them checks directly. The site director will be in charge of getting invoices filled out correctly and remitted to the BVAL by September 10th.

In addition to personnel, each site should provide the following:

- Start up cash-box (as you would for a regular home football game)
- 2 sets of chains (you may need to arrange with one of the other participants to bring a 2nd set of chains and another down marker)
- The field should be fully lined with yard markers and pylons set up, water jugs for the benches (or a place for teams to fill up their containers)
- The scoreboard should be operational for timing purposes. Announcers are not needed, unless you want to plug your snack shack and use the PA to help with transitioning between “quarters”
- Food Concession are to be provided by the host school, which gets 100% of profit

An official “BVAL Football Jamboree Host Site Packet” will be made up with all forms, pay rates, duties and responsibilities of hosting school included and given to the host school athletic director.

The host site-director will be in charge of collecting money, all record keeping and with turning the proceeds and invoices in to the BVAL office by September 10th

The BVAL has secured officials. They will use this opportunity for training their newer referees, etc. This provides a service for our referee association and defers the cost of officials.

The BVAL Board of Managers has approved this Jamboree format.
